Bjarne Robberstad

Senter for Internasjonal Helse/Institutt for Global helse og Samfunnsmedisin

2014/1911 Malariaforebygging etter behandling av alvorleg anemi (PDM)

Institution responsible for the research: Liverpool School of Tropical Medicine, University of Bergen

Project manager: Bjarne Robberstad

With reference to your application regarding the abovementioned project. Chairman of The Regional Committee for Medical and Health Research Ethics (REC Western Norway) reviewed the application pursuant to The Health Research Act § 11

Assesment

Change to project

The project manager wants to add malaria smears to RDT as option to diagnose clinical malaria for unscheduled visits.

Chairman of REC Western Norway reviewed the change

Assessment

REC Western Norway has no objections to the proposed amendment of the study.

Decision

REC Western Norway approves the project amendment in accordance with the submitted application.

The decision of the committee may be appealed to the National Committee for Research Ethics in Norway. The appeal should be sent to the Regional Committee for Research Ethics in Norway, West. The deadline for appeals is three weeks from the date on which you receive this letter.

Sincerely

Ansgar Berg
Prof. Dr.med
Chairman

Øyvind Straume
Committee Secretary
