

Section and topic	Item	Page
<i>Section 1: Abstract of paper</i>		
1a: Aim	Report the aim of the study	2
1b: Methods	Describe the methods used by which patients and the public were involved	2
1c: Results	Report the impacts and outcomes of PPI in the study	2
1d: Conclusions	Summarise the main conclusions of the study	2
1e: Keywords	Include PPI, “patient and public involvement,” or alternative terms as keywords	3
<i>Section 2: Background to paper</i>		
2a: Definition	Report the definition of PPI used in the study and how it links to comparable studies	4
2b: Theoretical underpinnings	Report the theoretical rationale and any theoretical influences relating to PPI in the study	4,6
2c: Concepts and theory development	Report any conceptual or theoretical models, or influences, used in the study	4, 6
<i>Section 3: Aims of paper</i>		
3: Aim	Report the aim of the study	5
<i>Section 4: Methods of the paper</i>		
4a: Design	Provide a clear description of methods by which patients and the public were involved	5-8
4b: People involved	Provide a description of patients, carers, and the public involved with the PPI activity in the study	7-8
4c: Stages of involvement	Report on how PPI is used at different stages of the study	6-7
4d: Level or nature of involvement	Report the level or nature of PPI used at various stages of the study	6-7
<i>Section 5: Capture or measurement of PPI impact</i>		
5a: Qualitative evidence of impact	If applicable, report the methods used to qualitatively explore the impact of PPI in the study	8-10
5b: Quantitative evidence of impact	If applicable, report the methods used to quantitatively measure or assess the impact of PPI	NA
5c: Robustness of measure	If applicable, report the rigour of the method used to capture or measure the impact of PPI	NA
<i>Section 6: Economic assessment</i>		
6: Economic assessment	If applicable, report the method used for an economic assessment of PPI	NA
<i>Section 7: Study results</i>		
7a: Outcomes of PPI	Report the results of PPI in the study, including both positive and negative outcomes	10-16
7b: Impacts of PPI	Report the positive and negative impacts that PPI has had on the research, the individuals involved (including patients and researchers), and wider impacts	10-16
7c: Context of PPI	Report the influence of any contextual factors that enabled or hindered the process or impact of PPI	10-16
7d: Process of PPI	Report the influence of any process factors, that enabled or hindered the impact of PPI	10-16
7ei: Theory development	Report any conceptual or theoretical development in PPI that have emerged	NA
7eii: Theory development	Report evaluation of theoretical models, if any	NA
7f: Measurement	If applicable, report all aspects of instrument development and testing (eg, validity, reliability, feasibility, acceptability, responsiveness, interpretability, appropriateness, precision)	NA
7g: Economic assessment	Report any information on the costs or benefit of PPI	NA
<i>Section 8: Discussion and conclusions</i>		
8a: Outcomes	Comment on how PPI influenced the study overall. Describe positive and negative effects	16-17
8b: Impacts	Comment on the different impacts of PPI identified in this study and how they contribute to new knowledge	16-17
8c: Definition	Comment on the definition of PPI used (reported in the Background section) and whether or not you would suggest any changes	17-18
8d: Theoretical underpinnings	Comment on any way your study adds to the theoretical development of PPI	16-18
8e: Context	Comment on how context factors influenced PPI in the study	16-18
8f: Process	Comment on how process factors influenced PPI in the study	16-18
8g: Measurement and capture of PPI impact	If applicable, comment on how well PPI impact was evaluated or measured in the study	NA
8h: Economic assessment	If applicable, discuss any aspects of the economic cost or benefit of PPI, particularly any suggestions for future economic modelling.	NA
8i: Reflections/critical perspective	Comment critically on the study, reflecting on the things that went well and those that did not, so that others can learn from this study	16-18
