Question	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
Over the past year, my experiences during RRT calls are					
Other members of the RRT listen to and address my queries and concerns					
The RRT involves ward staff during development of the clinical plan					
The RRT team communicates well with other staff					
Ward staff who call the RRT are reluctant to be involved during calls					
Attending teams are reluctant to be involved during calls on their patients					
I have witnessed conflicts during calls					

Question	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
At the completion of the RRT call					
The RRT should handover to ward staff before leaving					
The RRT should not leave until they have an agreed plan with ward staff					
Question	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
Over the past year, my perceptions are					
Communication skills are important during RRT calls					
The RRT team works well together					
Question	Strongly agree	Agree	Neutral	Disagree	Strongly disagree
Please rate the following suggestions to help the RRT team improve performance:					
Meet at the start of a shift to introduce team members and establish the team leader and other team member roles					
Have a debrief at the conclusion of every RRT call					
Receive a handover from the previous shift RRT team					
Follow-up all RRT calls during a shift before the team goes off duty					
Hold regular hospital-wide audit for all patients attended by RRT					
Participate in team-work and communication skills training					
Participate in simulated RRT scenario training					

Do you have other suggestions that would help the RRT team improve their performance?
