Regarding: Support
Title: CIAO@TBI: Complement Inhibition: Attacking the overshooting
neuroinflammation after traumatic brain injury

Dear Prof. Wilco Peul ,

In December 2019 The Brain Foundation Netherlands has reviewed your proposal and preliminary granted you a total sum of €583.893.

We, hereby, are pleased to inform you that you have succesfully fulfilled all the criteria to meet our requirements. Therefore the preliminary funding is converted into a definitive grant for the study titled '*CIAO@TBI: Complement Inhibition: Attacking the overshooting neuroinflammation after traumatic brain injury*'.

The conditions for this project are documented in the subsidy agreement that is signed by both parties.

With kind regards,

Merel Heimens Visser
Director

Study Title: CIAO@TBI: Complement Inhibition: Attacking the Overshooting inflammation in @fter TBI

Dear Prof. Wilco Peul,

The Shire IIR Review Committee has carefully reviewed your Investigator-Initiated Research proposal entitled "*CIAO@TBI: Complement Inhibition: Attacking the Overshooting inflammation in @fter TBI.*"

We are pleased to inform you that the Committee has decided that Shire will support your proposal. Any and all support from Shire for your research is conditional upon the execution of a mutually agreeable research agreement with all necessary parties.

We look forward to the results from your study.

Thank you for your interest in Shire.

Sincerely,

On behalf of Scientific Review Committee,

A handwritten signature in blue ink that reads "Joanna Bancerek".
