/ A / 5436

This permit expires on 31 March 2020

Usual signature of holder

Subject to any restrictions opposite, the permit holder is authorised on behalf of the Ringing Committee to: ring fledged birds, use any special methods as listed opposite

This permit is issued by the Licensing Officer for and on behalf of the British Trust for Ornithology
Dated 22/03/2019

This permit is issued under the WILDLIFE AND COUNTRYSIDE ACT 1981 as amended by the ENVIRONMENTAL PROTECTION ACT 1990 and the WILDLIFE (NORTHERN IRELAND) ORDER 1985. The licenses held by the Trust at the address below, granted by each of the licensing authorities in England, Scotland, Wales and Northern Ireland allow the holder of this permit to engage in the activities hereby authorised. Added eggs may be taken under this permit but must be destroyed after examination, or sent to a recognised scientific institution for examination and storage. This permit does not authorise the holder to intentionally disturb any Schedule 1 wild bird in, on, near, or while building a nest or dependent young of such a bird; nor to use any other marking method unless authorised under "Special Methods" below. The permit holder is covered by public liability insurance whilst carrying out ringing activities within Britain, Northern Ireland and Eire. Nothing in this permit shall confer any right of entry on to land or property. This permit is granted subject to compliance with the conditions specified. Anything done otherwise than in accordance with the terms of the permit may constitute an offence. This permit conveys no authority for actions prohibited by any legislations other than that specified above.
